A good day to you.

I wish that I can be in the same room as Botan, and that we can have pantsu-pajama party each day.

To Tenshi-chan the angel,

sincerely.

I made a wish to Tenshi-chan who's in the academy.

S-Stop it! You're making me recall my dark past in grade school!

In my dream, angelic girls are having a tea party like in a picture book.

Black tea with a nice flavor and colorful sweets are on the table.

There's nothing about pantsu there!

You can't use vulgar words like "princesses are having a pantsu party!"

You can't! You can't! You can't!

grinds

always talking about embarrassing things...

Botan, you should wish for it too!

She's always ...

And I'm sitting next to you, right?

Tenshi-sama, I wish I could be together with Shinobu forever...

Eh...

I-I wish we could make new friends.

It's so lovely!

This classical setting is perfect for tea parties!

This is my room from today!

Whoa!

Gah!

Gah!!

You fell down too...

I'm glad we got the same room! I bet it's thanks to Tenshi-chan.

I hit my crotch...

I came to fulfill your wishes.

I'm an angel called "Un."

Do you want to

eat this?

Eh... Eating sweets won't help on my wanting to go to the bath-room...

Un-chan, thank you! I'll become an angel!

Yup. You will both become angels if you eat it.

squi-shes

Is this a donut? May I eat it?

I don't want such an ex-treme tea party... I want to go to the bathroom...
